

## Forensics Careers Project

You will be preparing a report on a forensic science career. There are MANY careers that have to do with forensics, some don't even have to do with cutting people open or going to crime scenes! You are to pick one that you would be interested in doing! Please ask Ms. Anderson via e-mail if the career you have chosen is acceptable before getting started. Come up with a creative way of displaying your project, such as a PowerPoint, a webpage (weebly offers free webpages), or a poster (if you have any idea other than those three please first clear it with Ms. Anderson) The DUE DATE for this project is FEBRUARY 8<sup>th</sup> ! NO LATE PROJECTS WILL BE TAKEN!!!!!! If you create a webpage, or PowerPoint you can submit your project via email to [Caitlin.anderson@detroitk12.org](mailto:Caitlin.anderson@detroitk12.org) please put in the subject line First name, Last Name, Hour, Career Project

What do I need in my project?

- BEFORE you start on the project you need to e-mail Ms. Anderson with the career you chose and what medium your project will be in (i. e. PowerPoint, webpage.....etc.) (5 pts)(THIS EMAIL IS DUE TO MS. ANDERSON BY FEB 1!!!!!!!!!!)
- Name of Occupation (2 pts)
- Job Description (10 pts)
- Employment opportunities and trends (what will be the demand for this occupation in the next 5-10 years?) (10 pts)
- Wages (5 pts)
- Working conditions (Where do people work in this occupation? Are there physical or emotional demands for this job?)(10 pts)
- Training and Educational Requirements (How long do I need to go to school, what degree is necessary? Do I need training outside of a University? Where can I get this relevant training? Are there continuing education requirements, meaning after I start working do I need to continue updating my education?) (10 pts)
- What are 2 related occupations you could go into? (describe 2 other jobs similar to this one) (10 pts)
- Why do YOU want to pursue this career? (I understand that most of you do not want to go into careers in forensic science so answer this questions as if you HAD to pick a job related to forensic science why is this particular one the one for you?) (10 pts)
- Bibliography (MLA style please, and you must have at least 3 sources) (10 pts)
- You must at minimum have 4 pictures (8 pts)
- This is the MINIMUM requirement for going above and beyond, looking sharp, and professional you can earn up to 10 pts
